September 2009

I would like to welcome back all skaters to another skating season! The Executive, coaches, and of course, our skaters are all looking forward to a great year. We have some exciting new announcements in regards to our coaching staff.

The Executive is pleased to announce coach Andrea Ludditt is the new On Ice Program Director. This position includes all on ice programs such as CanSkate, Junior Academy and group skating lessons for our figure skating programs. Andrea has over 14 years experience coaching. Please feel free to contact her for your skating questions.

The Executive is also pleased to announce that coach Nicole Collins is the new Off Ice Program Director. This includes the off ice training of all levels of skaters in the Club. Nicole has over 8 years of coaching experience and is making some exciting changes to the off ice program this year.

I would like to also take the time to welcome back our other returning coaches Alison Aikins, Courtney Powney and Jim Douglas. We could not run the Club without them. Eric Henderson and Frank Skerlak are back coaching the CanPower Skate program. Welcome back all coaches and thank you.

Special thanks goes out to the new and returning Executive members who put in countless hours to make our Club a success.

Our regular Winter Season begins September 21st with our CanSkate and CanPower sessions. Full figure skating programs begin this week as well.

Please check our web page at www.pgpsc.ca for all Club information regarding your child's skating program. Updates are posted regularly.

Some dates to remember for figure skating,

- October 16-18 – Autumn Leaves Competition – Kamloops
- October 30-November 1 – Williston Competition – Prince George
- December 4-6 – CNC Regional Competition – Prince George

We are currently looking for volunteers for the CNC Regional Competition Dec 4-6/09. This is a great way to complete your volunteer hours.

Happy Skating!
